

RIFIS ISSUE

Hispanic Origin Questions

June 10, 2011

Modifications have been made to the Hispanic origin question. These changes will enable immediate access to this data on the FCCP Children Report.

The screenshot shows the RIFIS (Rhode Island Family Information Systems) web interface. The top navigation bar includes a 'File' menu and the RIFIS logo. The main content area is titled 'Demographics' and contains a 'Basic Demographics' section. This section includes fields for Last Name, First Name, Middle Name, Suffix, Alias, Family Name, DOB, Age, Gender, SSN, Family ID, Agency ID, PEP ID, and SAS ID. A yellow callout box highlights the 'Hispanic Origin' section, which includes a checkbox for 'Check here if Child is of Hispanic Origin', a dropdown menu for 'Confirm if Child is Hispanic', and a multi-select area for 'Hispanic Origin' with navigation arrows.
