

**RIFIS Update**  
*January 27, 2011*  
Planned Services Page

Changes have been made to the planned services page. For each planned service, the end user needs to enter the following information:

1. start date (the date FSCC predicts service to begin)
2. end date (the date FSCC predicts service to end)
3. planned service (select from service code list)
4. the worker's agency (select FSCC agency)

Remember the information above is based on discussion with the family while developing the Family Service Plan.

The screenshot shows the RIFIS web application interface. At the top left is the RIFIS logo with the text "Rhode Island Family Information Systems". At the top right, it says "Planned Service". Below the logo is a blue header bar with the date and time "1/27/2011 9:55 AM". The main content area is titled "Planned Services" and contains several input fields: "Start Date" (empty), "End Date" (empty), "FCCP" (dropdown menu with "EB" selected), "Service Code" (dropdown menu with "..."), "Service Description" (text input field), "Unit Type" (text input field), "Provider ID (choose your agency)" (dropdown menu with "..."), "Agency" (text input field), and "Comments" (text area with up/down arrows).

An example of how the page should look when it is filled out:

The screenshot shows the RIFIS web application interface with the "Planned Service" form filled out. The RIFIS logo and "Planned Service" title are at the top. The blue header bar shows the date and time "1/27/2011 9:57 AM". The form fields are populated with the following data: "Start Date" is "1/1/2011", "End Date" is "2/1/2011", "FCCP" is "EB", "Service Code" is "MdSrv13", "Service Description" is "Health Aid Visit - Identified Child", "Unit Type" is "Session", "Provider ID (choose your agency)" is "126", and "Agency" is "Child and Family Services of Newport". The "Comments" field is empty.
